Dear Citizens of the Town of Altona:

In an effort to protect our Town Employees and the public from the exposure of COVID-19, we are closing the Town Hall to visitors until further notice.

The doors will remain locked, but employees are working either inside or from home. We ask that any business that can be conducted via the phone, email or regular postal mail, please do so. Please utilize our website www.townofaltonany.com and our official Town of Altona FB page. We are doing our best to keep these pages up to date on the many changes that have and will be taking place.

At this time the Altona Town Clerk/Tax Collector ask that you mail in any payments instead of walk ins until further notice. If you need to know the amount of your taxes please call and leave a message and she will be in touch.
